

# GODZILLA

Sixty years after he first stomped across the screen, Godzilla's back in a \$160 million state-of-the-art reboot, starring action hero Aaron Taylor-Johnson (*Kick-Ass*) and *Breaking Bad*'s Bryan Cranston. Viewers of all ages will be mesmerized as the King of Movie Monsters unleashes his wrath in a full-throttle rampage. This time, the radioactive reptilian killing machine is facing a powerful enemy that is determined to end Godzilla's reign of terror. Get set for a skull-bashing, city-smashing showdown because this spike-tailed global superstar cannot be contained. It will not be stopped. And it's about to redefine the action-adventure genre for a new generation of fans.

# THIS IS WHERE I LEAVE YOU

*This is Where I Leave You* goes from best seller to the big screen in a must-see comedy featuring Jason Bateman and Tina Fey. Two-time Oscar® winner Jane Fonda joins rising stars Timothy Olyphant and Rose Byrne in this outrageous tale of a dysfunctional family forced to reunite at a funeral. Director Shawn Levy (*Night at the Museum*, *Date Night*) keeps the laughs coming as four siblings and their mother clash over old grudges, new lovers and shocking secrets. From internationally acclaimed author Jonathan Tropper, whose books have been translated into 20 languages.

# EDGE OF TOMORROW

Global superstar Tom Cruise and director Doug Liman join creative forces in a futuristic showdown that pits ruthless alien invaders against a two-person special ops team. Trapped in a violent time loop, Major William Cage (Cruise) and officer Rita Vrataski (Emily Blunt) are locked and loaded in a battle to the death that could save the human race – or make it extinct. Incredible special effects and relentless action drives this high-octane sci-fi thriller.

# TRANSCENDENCE

Women love him. Audiences can't get enough of him. Johnny Depp's super-charged sex appeal has rocketed him to the top of Hollywood's A-List. Now, he plays a computer genius with the power to save the world - or destroy it. Morgan Freeman, Rebecca Hall and Paul Bettany ignite the screen in this sci-fi thriller from director Wally Pfister, the Oscar®-winning cinematographer behind *The Dark Knight*, Warner Bros.' top-grossing film of all time.

# TAMMY

It's Melissa McCarthy's world. We just live in it. From her hot sitcom (*Mike & Molly*) to three consecutive movie hits (*Bridesmaids*, *Identity Thief*, *The Heat*), she is the reigning queen of comedy! In her latest role, she's Tammy, a lovelorn woman on a raucous road trip with her potty-mouthed grandmother (Academy Award® winner Susan Sarandon). Strapped behind the wheel of their automobile, this mismatched duo is causing chaos across America, as they shift the laughs into overdrive with lots of help from TV greats Dan Aykroyd, Allison Janney and Oscar® winner Kathy Bates.

#### STARRING

Emmy® winner and Academy Award® nominee

# JERSEY BOYS

Still packing 'em in after nearly a decade on Broadway, *Jersey Boys* gets the full Hollywood treatment from director Clint Eastwood. Inspired by an emotional rags-to-riches story about blue-collar pals who shot to stardom as Frankie Valli and the Four Seasons, this Tony Award®-winning "Best Musical" features original cast member and stage sensation John Lloyd Young. The soundtrack includes such chart-topping singles as "Sherry," "Big Girls Don't Cry" and "Can't Take My Eyes Off You." Now, everyone can enjoy the global phenomenon that's rocked audiences from America to Australia and earned over \$450 million.

**STARRING**  
*Academy Award® winner*

# THE LEGO MOVIE

LEGO, the brand three generations of kids love - and millions of parents trust. But now, after inspiring video games, retail stores and six theme parks, LEGO® is "going Hollywood" in its first-ever full-length feature film.

From the team who brought you *Cloudy With a Chance of Meatballs* and *21 Jump Street* (combined global grosses: \$444 million), *The LEGO Movie* is about the incredible journey of an ordinary LEGO® figure who's mistaken for a legendary leader who now must stop an evil tyrant (Will Ferrell) from gluing the universe together. With the help of Batman, Wonder Woman, Superman and The Green Lantern on his side he will help save the world.

## A SPIKE JONZE LOVE STORY

One of Hollywood's most influential filmmakers teams up with an all-star trio of Oscar® nominees to deliver his most provocative movie yet. Writer-director Spike Jonze and acclaimed actor Joaquin Phoenix combine their exceptional talents in *Her* — the compelling story of an L.A. man who falls in love with his computer's operating system (Scarlett Johansson). Box-office favorites Amy Adams and Rooney Mara lead the supporting cast of this riveting drama, which critics call "engaging," "emotionally involving" and "the most original romance of the year."

# 300 RISE OF AN EMPIRE

From best-selling graphic novel to action-adventure hit (\$210 Million), the sweeping saga rages on. As the vicious fight begun in *300* continues, *Rise of an Empire* captures a simultaneous showdown on the high seas. Set in 480 B.C., this fierce adventure tracks the pivotal battle between the Greek general Themistokles (Australian hottie Sullivan Stapleton) and the massive Persian army, led by the mortal-turned-god Xerxes (Rodrigo Santoro) and his seductive commander, Queen Artemisia (Eva Green). Relentless action, dazzling special effects and a brutal clash between warring nations powers this titanic face-off that changed the course of history.

# INTO THE STORM

A deadly cluster of Category 6 tornadoes bears down on a small town. As terrified residents take cover from the brutal onslaught, thrillseekers rush straight into the eye of the storm. They've got a date with disaster - but when Mother Nature unleashes her fury, will anyone make it out alive? This nail-biting action drama features the directorial debut of James Cameron's protégé Steven Quale and a hot young cast of international actors, led by *The Hobbit*'s Richard Armitage. Brace yourself for awesome special effects and a roller coaster ride of adventure, from the studio that brought you *Twister*.
